A late payment fee of up to $9.99 will be assessed if payment is not received on or before the due date.

**Electronic check conversion**
Paying by check authorizes AT&T to use the information from your check to make a one-time electronic fund transfer from your account. Funds may be withdrawn from your account as soon as your payment is received. If we cannot process the transaction electronically, you authorize AT&T to present an image copy of your check for payment. Your original check will be destroyed once processed. If your check is returned unpaid you agree to pay such fees as identified in the terms and conditions of your agreement, up to $30. Returned checks may be presented electronically. If you want to save time and stamps, sign up for AutoPay at att.com/autopay using your checking account. It's easy, secure, and convenient!

**Internet usage allowance**
Unless your internet plan includes an unlimited data usage allowance, your total internet usage allowance will consist of your 1.5 terabyte (1.5 TB or 1,536 GB) plan usage allowance plus any additional offers. Exceeding your total internet usage allowance will result in a charge of $10 for each additional 50 GB of data even if less than 50 GB is consumed up to a maximum overage charge of $100 a month. BE CAREFUL AROUND PIPELINE RIGHTS OF WAY
Yellow warning markers indicate the approximate route of larger pipelines and how to contact the operator. The right of way for a pipeline must always be kept clear so that the line can be visually inspected and quickly repaired. Obstructions, such as buildings, cars and debris, must be kept off the right of way. State law requires you to call 811 at least two working days before digging to have pipelines or other utilities marked.

### Important Messages from Your Natural Gas Company

The Louisiana Public Service Commission (LPSC) has adopted rules to ensure that utility companies provide a deferred billing program during specific emergency situations. The program allows eligible customers to defer their utility payments in the event that the LPSC declares an emergency for reasons that cause utility bills to reach extraordinary levels.

The rule provides that eligible customers include persons with low incomes who are 65 or older, persons who receive public assistance, persons whose sole income consists of Social Security payments, and vital government entities.

If an emergency is declared, customers who make the required payments cannot be disconnected. To qualify for this program, customers must meet eligibility requirements and pre-enroll. If you think you meet the eligibility requirements and would like to pre-enroll, please call our customer contact center at 1-888-286-6700.

If current bill is not paid by the due date, a penalty (if applicable) will appear on your next bill and any prior amounts already past due may result in service disconnect. Please contact us online or by phone for assistance.

## IS YOUR HOT WATER TOO HOT?

Water temperatures higher than 120°F can cause serious burns or even death. Children, people with disabilities and the elderly are at high risk for being scalded by hot water. Read and follow the instructions for your water heater before setting its temperature controls. Always test the water before stepping into the bath, bathing your child or helping a disabled or elderly person into the bath.
