Notes & assumptions (please confirm before presenting)

- SUPPLEMENTAL schedule of amounts paid on Lindsey's behalf. NOT part of the \$74,526.21 reimbursement claim; not double-counted.
- Vehicle: GM Financial payments hit two sub-accounts (*2563 \$1,199.96/mo, *1890 \$1,017.48/mo). Confirm BOTH are the Yukon Denali; if one is a different vehicle, remove it. Some months were catch-up double-payments; a few 2025 months have no email receipt (loan showed current through Mar 2026, so likely paid by direct autopay).
- Insurance: GEICO policy 6193082762 is a bundled household policy (Gerald, Lindsey, Elijah). Only the Yukon's share (~\$391.14/mo, from your own GEICO breakdown) is claimed; the full premium also covers your and Elijah's coverage.
- Window Aug 2024 – Mar 2026 (when you stopped). Amounts from GEICO / GM Financial / ACI-Speedpay receipts in Gmail; originals available on request.
- Not legal advice. The consent judgment does not appear to require you to pay Lindsey's vehicle or its insurance — that supports reimbursement; have your attorney confirm.
