Important Messages from Your Natural Gas Company

NATIONAL 811 DAY
August 11 is National 811 Day. We hope that this day serves as a reminder to always call 811 before you dig. One free, easy call gets utility-owned lines marked and helps protect you from injury and expense. Know what's below. Always call 811 before you dig. For more information, visit www.atmosenergy.com/call811.

MAINTAINING YOUR GAS LINE
You are responsible for the natural gas piping that connects our gas meter to your house or business. Atmos Energy does not maintain the gas line on your property beyond our meter. We recommend that you have buried gas piping inspected periodically for leaks. A licensed plumbing or heating contractor can locate, inspect and repair buried piping on your property. If a dangerous condition is discovered, repairs should be made as soon as possible.

If current bill is not paid by the due date, a penalty (if applicable) will appear on your next bill and any prior amounts already past due may result in service disconnect. Please contact us online or by phone for assistance.

Important Messages from Your Natural Gas Company

BEWARE OF CARBON MONOXIDE

Carbon monoxide (CO) is an odorless, colorless and tasteless toxic gas that can cause serious injury or death. It can be produced by improperly working appliances and exhaust. Have your heating equipment checked periodically by a licensed plumber or qualified contractor for safety and efficiency, and install approved CO detectors in your home. Visit atmosenergy.com/COsafety for more information.

Please pay past due balance promptly

If current bill is not paid by the due date, a penalty (if applicable) will appear on your next bill and any prior amounts already past due may result in service disconnect. Please contact us online or by phone for assistance.

DEFERRED BILLING PROGRAM FOR EMERGENCY SITUATIONS

Through rules adopted by the Louisiana Public Service Commission (LPSC), eligible customers can defer their utility payments in the event that the LPSC declares an emergency for reasons that cause utility bills to reach extraordinary levels.

The rule provides that eligible customers include persons with low incomes who are 65 or older, persons who receive public assistance, persons whose sole income consists of Social Security payments, and vital government entities.

If an emergency is declared, customers who make the required payments cannot be disconnected. To qualify for this program, customers must meet eligibility requirements and must pre-enroll in the plan. If you think you meet the eligibility requirements and would like to pre-enroll, please call our customer service telephone number 888.286.6700.

Please pay past due balance promptly

If current bill is not paid by the due date, a penalty (if applicable) will appear on your next bill and any prior amounts already past due may result in service disconnect. Please contact us online or by phone for assistance.

MAINTAINING YOUR GAS LINE

Pursuant to Department of Transportation regulation 49 CFR 192.16, Atmos Energy is required to inform you that we do not maintain the natural gas piping from our gas meter to your home or business. The natural gas piping from our gas meter to your home or business is your responsibility to maintain. If buried piping is not maintained, it may be subject to the potential hazards of corrosion and leakage. You should have piping periodically inspected for leaks. If the piping is metallic, it should be periodically inspected for corrosion. If any unsafe condition is discovered, it should be repaired. Plumbing contractors are possible resources for locating, inspecting and repairing your piping. Call 811 prior to any excavation to have underground utility-owned lines located and marked at no charge to you.

Important Messages from Your Natural Gas Company

BE CAREFUL AROUND PIPELINE RIGHTS OF WAY
Yellow warning markers indicate the approximate route of larger pipelines and how to contact the operator. The right of way for a pipeline must always be kept clear so that the line can be visually inspected and quickly repaired. Obstructions, such as buildings, cars and debris, must be kept off the right of way. State law requires you to call 811 at least two working days before digging to have pipelines or other utilities marked.

SMELL GAS? ACT FAST!
Leave the area immediately! From a safe distance, call 911 and Atmos Energy at 1-866-322-8667.

Please pay past due balance promptly

If current bill is not paid by the due date, a penalty (if applicable) will appear on your next bill and any prior amounts already past due may result in service disconnect. Please contact us online or by phone for assistance.

Always call 811 before you dig.

Hi! I'm Gus the Gopher. I'm here to remind you to call 811 before you dig to have utility-owned lines in your yard located. This helps protect you from injury and expense. Call 811. It's free. And it's the law.
For more on safe digging, visit atmosenergy.com/call811.

FUEL YOUR ENERGY FUTURE WITH NATURAL GAS.

Natural gas is the smart choice for fueling your home, spurring economic growth, and meeting the growing demand for energy today and for generations to come.

Did you know?

Natural gas is 3.5 times more affordable than electricity.

Natural gas is viewed by 75% of adults as the most reliable way to heat their homes and cook meals.

Using natural gas directly is 2.4 times more energy efficient than generating electricity for use in homes and businesses.

IS YOUR HOT WATER TOO HOT?

Water temperatures higher than 120°F can cause serious burns or even death. Children, people with disabilities and the elderly are at high risk for being scalded by hot water. Read and follow the instructions for your water heater before setting its temperature controls. Always test the water before stepping into the bath, bathing your child or helping a disabled or elderly person into the bath.
