Notes & assumptions (please confirm before presenting)

- SUPPLEMENTAL schedule of amounts paid on Lindsey's behalf. Separate from the reimbursement claim.
- Health insurance: Lindsey's spouse premium under Ned's NFP group plan, \$982.38/mo per the NFP breakdown (Mar 4 2026), applied Aug 2024 – Jul 2026 (24 months). Monthly rate may have changed year to year; confirm exact per-month amounts from NFP/payroll records.
- IMPORTANT — the Interim Consent Judgment (1/10/25) states Ned 'shall maintain health, dental, orthodontic, and vision insurance on the minor children AND Lindsey Pearson.' Claiming her premium back runs against that obligation for the period it applied; have your attorney confirm before presenting this line.
- Vehicle: GM Financial paid to two sub-accounts (*2563 \$1,199.96/mo, *1890 \$1,017.48/mo). Confirm both are the Yukon Denali; some months were catch-up double-payments.
- Auto insurance: bundled GEICO household policy (Gerald, Lindsey, Elijah); only the Yukon's ~\$391.14/mo share is claimed here. Amounts from GM Financial / GEICO / payroll records; originals available on request. Not legal advice.
