How this was calculated

Each expense was taken from source bills and receipts. Utility bills use the current-period charge (past-due balances excluded so no month is counted twice). Percentages reflect the parties' agreement: household and utility costs are shared 50/50; school/tuition and medical/dental/vision at 12%. Duplicate documents and partial-payment receipts were removed. Direct payments made to Lindsey during this period are itemized as advances to be repaid. A full

itemized ledger follows.
