REFUND OF GROUNDWATER FEE AND COMMITMENT TO PROTECTING OUR WATER

Dear Customer,

We are writing to inform you that **a credit has been applied to your current bill.** This credit represents a refund of the Capital Area Groundwater Commission (CAGWC) fee, which you have been paying each month, listed as "Groundwater Fee" on your bill.

Baton Rouge Water Company has been actively involved in challenging a recent increase in the CAGWC fees, which were intended to fund the installation of duplicate meters at our well sites. After months of legal efforts, a settlement was reached at the end of 2024. As part of this settlement, the CAGWC will return a portion of the fee to the water company, and we are passing that re-fund on to you, the rightful recipient.

We want to emphasize that this action was taken with you, our valued customer, in mind. Our goal has always been to provide safe, reliable, and affordable water service. While we are committed to protecting our aquifer—the source of our community's water—we believe that adding duplicate meters was not the most effective solution. We have already provided the necessary data through our existing meters, and we believe the funds should be used more efficiently to protect the aquifer and ensure its sustainability.

Your Groundwater Fee is an important part of the efforts to preserve the aquifer for future generations, and it should be used to support long-term solutions for its protection. We also encourage you to be part of the solution to preserve this vital resource. Here are a few simple actions you can take:

- Maintain your plumbing in good working order.
- Listen for running toilets and repair them promptly.
- Make sure your home has a functioning water shut-off valve, and know where it is located.
- Report any leaks around your meter or along roadways to us immediately.
- Prior to hard freezes, insulate your pipes. If you choose to run the faucet, do so at a small trickle at the faucet furthest from where your water supply enters your home.

Thank you for being a valued customer. We appreciate your continued trust in the Baton Rouge Water Company.

***Together,* we can make a lasting impact on the preservation of our water supply.**

Sincerely,

Patrick Kerr, *President & CEO*

DES
DEPT. OF ENVIRONMENTAL SERVICES

CITY OF BATON ROUGE
PARISH OF EAST BATON ROUGE

FLOOD AWARENESS FACTS

FLOODS HAPPEN HERE

Approximately 40% of the land area in East Baton Rouge Parish has the potential to be flooded by a 1 % annual chance flood. The principal flooding is caused by backwater flooding along the Amite and Comite Rivers and their tributaries.

FLOOD MAPS

Flood maps for East Baton Rouge Parish are available for review at the Department of Development Subdivision Engineering Office, all EBR Parish public library branches, and online at **MSC.FEMA.GOV, brla.gov, and maps.lsuagcenter.com/floodmaps.**

FLOOD INSURANCE

Almost half of EBR Parish is located in the FEMA Special Flood Hazard Area (SFHA). Flood insurance is highly recommended and is required by law in order to obtain federally-secured financing to buy, build, or renovate a structure located in the FEMA SFHA. There are two types of coverage: structural and contents. Renters can buy contents coverage even if the owner does not insure the structure. There is a 30-day waiting period for coverage to take effect; don't wait for the next flood to make sure you're covered. Contact any licensed insurance agent to learn more. NOTE: Flood insurance is not included in most homeowner insurance policies.

FLOOD SAFETY

If your property has a history of flooding or is in a flood hazard area, you should take steps to protect your property. Do not walk or drive through flood water. Six inches of moving water can sweep you off your feet, and most flood deaths occur in cars. Plan an evacuation route to higher ground. If sand and sandbags are needed, you may call the Mayor's Office of Homeland Security and Emergency Preparedness for more information.

To find out the flood risk for your property, or if your property is affected by a floodway, historical flooding, wetlands, or what the anticipated flood depth is for your property, contact Floodplain Management.

DRAINAGE SYSTEM MAINTENANCE

DO NOT dump or throw anything into our ditches or streams; illegal dumping is illegal and punishable by fines. Grass clippings and branches can accumulate and plug channels.

Flooding, erosion, or drainage concerns? Residents experiencing flooding and drainage problems can receive technical assistance and schedule on-site visits by contacting 311.

PROPERTY PROTECTION

Flood proofing is a technique that helps protect your property from water damage through home elevation, retrofitting, grading a yard, or correcting drainage problems. Informative brochures on property protection can be found at the library or obtained from FEMA. A building permit may be required for retrofitting projects; City-Parish staff is available to discuss retrofitting and make site visits. The Department of Development provides flood protection assistance, including advice on retrofitting and information on selecting qualified contractors. Funding or other financial assistance may be available for elevation and other mitigation activities. Contact Floodplain Management to learn more.

SEWER USER FEE UPDATES

Effective January 1, 2025, the sewer user fee was increased to fund essential sewer improvements mandated by the U.S. Environmental Protection Agency (EPA) and the Louisiana Department of Environmental Quality (LDEQ). Additionally, in accordance with Sewer User Fee Ordinance 18504, base rates and volume charges have been adjusted to reflect the findings of a 2024 cost-of-service rate study. For more information, please call (225) 389-5378 or visit our website at brla.gov/finance.

WAYS TO REDUCE YOUR SEWER BILL

- Reduce water usage during averaging months (Oct., Nov., Dec., Feb., Mar., Apr.)
- Limit lawn watering
- Repair leaking toilets and faucets
- Report water meter leaks to your water company

SOLID WASTE ASSISTANCE PROGRAM

Low-income residents that meet eligibility requirements will receive a monthly discount of $4.50 on the solid waste user fee. Residents receiving the discount must recertify every 12 months. For information on this program, call (225) 389-5378 or (225) 358-4561, or visit: brla.gov/finance.

Funds may be withdrawn from your account as soon as your payment is received. If we cannot process the transaction electronically, you authorize AT&T to present an image copy of your check for payment. Your original check will be destroyed once processed. If your check is returned unpaid you agree to pay such fees as identified in the terms and conditions of your agreement, up to $30. Returned checks may be presented electronically. Important Messages from Your Natural Gas Company

The Louisiana Public Service Commission (LPSC) has adopted rules to ensure that utility companies provide a deferred billing program during specific emergency situations. The program allows eligible customers to defer their utility payments in the event that the LPSC declares an emergency for reasons that cause utility bills to reach extraordinary levels.

The rule provides that eligible customers include persons with low incomes who are 65 or older, persons who receive public assistance, persons whose sole income consists of Social Security payments, and vital government entities.

If an emergency is declared, customers who make the required payments cannot be disconnected. To qualify for this program, customers must meet eligibility requirements and pre-enroll. If you think you meet the eligibility requirements and would like to pre-enroll, please call our customer contact center at 1-888-286-6700.

If current bill is not paid by the due date, a penalty (if applicable) will appear on your next bill and any prior amounts already past due may result in service disconnect. Please contact us online or by phone for assistance.

MAINTAINING YOUR GAS LINE

You are responsible for the natural gas piping that connects our gas meter to your house or business. Atmos Energy does not maintain the gas line on your property beyond our meter. We recommend that you have buried gas piping inspected periodically for leaks. A licensed plumbing or heating contractor can locate, inspect and repair buried piping on your property. If a dangerous condition is discovered, repairs should be made as soon as possible.

If current bill is not paid by the due date, a penalty (if applicable) will appear on your next bill and any prior amounts already past due may result in service disconnect. Please contact us online or by phone for assistance.

IS YOUR HOT WATER TOO HOT?

Water temperatures higher than 120°F can cause serious burns or even death. Children, people with disabilities and the elderly are at high risk for being scalded by hot water. Read and follow the instructions for your water heater before setting its temperature controls. Always test the water before stepping into the bath, bathing your child or helping a disabled or elderly person into the bath.

DEFERRED BILLING PROGRAM FOR EMERGENCY SITUATIONS

Through rules adopted by the Louisiana Public Service Commission (LPSC), eligible customers can defer their utility payments in the event that the LPSC declares an emergency for reasons that cause utility bills to reach extraordinary levels.

The rule provides that eligible customers include persons with low incomes who are 65 or older, persons who receive public assistance, persons whose sole income consists of Social Security payments, and vital government entities.

If an emergency is declared, customers who make the required payments cannot be disconnected. To qualify for this program, customers must meet eligibility requirements and must pre-enroll in the plan. If you think you meet the eligibility requirements and would like to pre-enroll, please call our customer service telephone number 888.286.6700.

Get 50% off your past due monthly plan charges*

(see below for more details)

For account number ending in: 2407

We haven't heard from you yet. We're reaching out one more time to help you get caught up on your bill. Time's running out and we don't want you to miss any more of your favorite services.

Here's how we can still help you:

- **Provide 50% off** your past due balance, excluding Installment Plan charges (*up to $250), when you pay the remaining balance on your account
- **Credit any fees** to restore your service

Call us at **800.288.2020**.

Limited time offer and subject to change. If you choose not to accept this offer, and do not make payment for the discounted or full past due balance, your service will be terminated. Once your service is terminated, if you choose to reconnect your service(s), installation charges may apply. Also, if you have leased equipment from us when the service is terminated, we will send a letter to provide you with details on how to return it to an authorized location. You may be billed for equipment not returned within 21 days of termination of service.

Your past due balance must be paid within 21 days from the date of this notice for your service(s) to be restored and if applicable, prevent acceleration of all Installment Plan charges and continue with them as though you were not late.

If your service is cancelled, the full remaining balance(s) for any devices or accessories purchased under installment plans will be accelerated and become due immediately. We may exercise our rights under the law and as outlined in your agreements with us.
