Important information

Late payment fee
A late payment fee of up to $9.99 will be assessed if payment is not received on or before the due date.

Electronic check conversion
Paying by check authorizes AT&T to use the information from your check to make a one-time electronic fund transfer from your account. Funds may be withdrawn from your account as soon as your payment is received. If we cannot process the transaction electronically, you authorize AT&T to present an image copy of your check for payment. Your original check will be destroyed once processed. If your check is returned unpaid you agree to pay such fees as identified in the terms and conditions of your agreement, up to $30. Returned checks may be presented electronically. If you want to save time and stamps, sign up for AutoPay at att.com/autopay using your checking account. It's easy, secure, and convenient!

Internet usage allowance
Unless your internet plan includes an unlimited data usage allowance, your total internet usage allowance will consist of your 1.5 terabyte (1.5 TB or 1,536 GB) plan usage allowance plus any additional offers. Exceeding your total internet usage allowance will result in a charge of $10 for each additional 50 GB of data even if less than 50 GB is consumed up to a maximum overage charge of $100 a month. Visit att.com/internet-usage to view details of your internet data usage.

Customer support

MANAGING YOUR WINTER GAS BILL

Atmos Energy is committed to delivering safe and reliable natural gas service to our valued customers. Cold winter temperatures may have led to an increased use of natural gas for your appliances, potentially resulting in a higher gas bill.

We have information and solutions to help you manage your winter gas bill.

- Learn about the factors that make up your natural gas bill.
- Check out the Bill Comparison tool to compare your current bill to a previous bill to understand how the weather, billing days, and charges impact your bill.
- Discover household changes that can save you money on energy bills.
- Find payment solutions, such as Budget Billing and Installment Plans, to help manage your household budget.
- Learn more about financial assistance that may be available to help pay your bill.

Visit **atmosenergy.com/WinterBill** to learn more, or call us at 888.286.6700 (Monday-Friday, 7 am to 6 pm Central)

BE CAREFUL AROUND PIPELINE RIGHTS OF WAY
Yellow warning markers indicate the approximate route of larger pipelines and how to contact the operator. The right of way for a pipeline must always be kept clear so that the line can be visually inspected and quickly repaired. Obstructions, such as buildings, cars and debris, must be kept off the right of way. State law requires you to call 811 at least two working days before digging to have pipelines or other utilities marked.

MAINTAINING YOUR GAS LINE Pursuant to Department of Transportation regulation 49 CFR 192.16, Atmos Energy is required to inform you that we do not maintain the natural gas piping from our gas meter to your home or business. The natural gas piping from our gas meter to your home or business is your responsibility to maintain. If buried piping is not maintained, it may be subject to the potential hazards of corrosion and leakage. You should have piping periodically inspected for leaks. If the piping is metallic, it should be periodically inspected for corrosion. If any unsafe condition is discovered, it should be repaired. Plumbing contractors are possible resources for locating, inspecting and repairing your piping. Call 811 prior to any excavation to have underground utility-owned lines located and marked at no charge to you.

Important Messages from Your Natural Gas Company

The Louisiana Public Service Commission (LPSC) has adopted rules to ensure that utility companies provide a deferred billing program during specific emergency situations. The program allows eligible customers to defer their utility payments in the event that the LPSC declares an emergency for reasons that cause utility bills to reach extraordinary levels.

The rule provides that eligible customers include persons with low incomes who are 65 or older, persons who receive public assistance, persons whose sole income consists of Social Security payments, and vital government entities.

If an emergency is declared, customers who make the required payments cannot be disconnected. To qualify for this program, customers must meet eligibility requirements and pre-enroll. If you think you meet the eligibility requirements and would like to pre-enroll, please call our customer contact center at 1-888-286-6700.

If current bill is not paid by the due date, a penalty (if applicable) will appear on your next bill and any prior amounts already past due may result in service disconnect. Please contact us online or by phone for assistance.

Important Messages from Your Natural Gas Company

NATIONAL 811 DAY

August 11 is National 811 Day. We hope that this day serves as a reminder to always call 811 before you dig. One free, easy call gets utility-owned lines marked and helps protect you from injury and expense. Know what's below. Always call 811 before you dig. For more information, visit **www.atmosenergy.com/call811**.

MAINTAINING YOUR GAS LINE

You are responsible for the natural gas piping that connects our gas meter to your house or business. Atmos Energy does not maintain the gas line on your property beyond our meter. We recommend that you have buried gas piping inspected periodically for leaks. A licensed plumbing or heating contractor can locate, inspect and repair buried piping on your property. If a dangerous condition is discovered, repairs should be made as soon as possible.

If current bill is not paid by the due date, a penalty (if applicable) will appear on your next bill and any prior amounts already past due may result in service disconnect. Please contact us online or by phone for assistance.

IS YOUR HOT WATER TOO HOT?

Water temperatures higher than 120°F can cause serious burns or even death. Children, people with disabilities and the elderly are at high risk for being scalded by hot water. Read and follow the instructions for your water heater before setting its temperature controls. Always test the water before stepping into the bath, bathing your child or helping a disabled or elderly person into the bath.

DEFERRED BILLING PROGRAM FOR EMERGENCY SITUATIONS

Through rules adopted by the Louisiana Public Service Commission (LPSC), eligible customers can defer their utility payments in the event that the LPSC declares an emergency for reasons that cause utility bills to reach extraordinary levels.

The rule provides that eligible customers include persons with low incomes who are 65 or older, persons who receive public assistance, persons whose sole income consists of Social Security payments, and vital government entities.

If an emergency is declared, customers who make the required payments cannot be disconnected. To qualify for this program, customers must meet eligibility requirements and must pre-enroll in the plan. If you think you meet the eligibility requirements and would like to pre-enroll, please call our customer service telephone number 888.286.6700.

Important Messages from Your Natural Gas Company

SMELL GAS? ACT FAST!

If you suspect a natural gas leak, take these precautions:
SMELL for a "rotten egg" or skunk-like odor.
LISTEN for an unusual hissing, roaring or blowing sound near pipelines or appliances.
LOOK for blowing dirt, a bubbling creek or pond or dead vegetation.
LEAVE the area immediately.
DO NOT smoke, use a phone or cell phone, turn on or off any lights or appliances or operate any vehicle or equipment that could cause sparks.

If you suspect a gas leak, don't wait! Leave the area immediately and call 911 and Atmos Energy at 866.322.8667.
